- Superior materials and construction
- Optional Clean View or Classic Screen, and Andirons

Town & Country's TC54 Luxury Gas Fireplace is the world's largest factory-built direct vent gas fireplace.

It is grandly proportioned to fit in great rooms and commercial settings that previously required a custom-built hearth.

Tall, vibrant flames dance behind premium disappearing ceramic glass so non-reflective your guests will believe it is an open fire.

When size matters, the TC54 delivers a massive performance.
