- Electronic Ignition converts to Standing Pilot at the push of a button
- Natural Gas or Propane
- Battery back-up to operate during power outages
- Versatile Installation up to 110' from an exterior wall with optional power venting
- Superior materials and construction

The WS54 Wide Screen is a massive landscape of deep, generous flame among the Tranquility fire's smooth white sand and river rock, or the Black Diamond's sparkling black glass.

This ultra-modern fireplace art is sleek and modern in reflective Black, Coffee Bean Brown, Copper or Titanium porcelain panels.

Its full 3-dimensional flame captivates the attention from any angle in the largest of rooms with the look of a custom fireplace.
