FIREPLACE FEATURES

- A luxury fireplace with an exceptional flame
- Mix and match Design-A-Fire choices of five fires and six firebox panels
- Clean Face with huge Ceramic "Disappearing" Glass
- Flush Hearth for the authentic look of a wood burning fire
- Maestro Control System with wall-mounted operation and elegant programmable handheld remote
- Universal Smart Home compatibility
- Electronic Ignition converts to Standing Pilot at the push of a button
- Natural Gas or Propane
- Battery back-up to operate during power outages
- Versatile Installation up to 110' from an exterior wall with optional power venting
- Superior materials and construction
- Optional Clean View or Classic Screen, and Andirons

The TC42 is all about big, bold flames and a huge view of the fire, uncluttered by louvers or unnecessary trim.

Go truly traditional, ultra-modern or soft and sophisticated with a choice of logs, tumbled sparkling black glass, or river rock and white sand.

With Design-A-Fire, available only on Town & Country Fireplaces, you can mix-and-match fires and panels to create the look that is uniquely yours.
