

TOWN & COUNTRY

WS38

MODERN FIRE WITH UNMATCHED VERSATILITY.

Introducing the Widescreen 38, the dramatic result of landscape fire perfectly sized for smaller applications.

No other fireplace today can compete with Town & Country's unique Design-A-Fire system of interchangeable configurations. Mix and match burners and panels to create a décor that is uniquely your own.

Interior lights let you enjoy the tranquil sense of river rock or tumbled glass, taking the WS38 one step further in creating the ultimate contemporary landscape fireplace.
